

March 2019

Reference: Parental Consent forms for Academy Trips and Sports Fixtures

Dear Parent/Guardian

As from September any student wishing to take part in Academy trips, Sporting fixtures, and any other activity taking place off Academy premises (including those which take place out of Academy hours/during the holidays or at weekends) will be required to complete, sign and return the attached Parental Consent form.

This form also asks you to give permission for your information to be uploaded to our Squad in Touch app. This app is for both parents and pupils. From this app you will be able to:

- See a personalised fixtures calendar
- See game results and match reports in real time
- Track performance in favourite sports
- Get notified about last minute changes
- Send availability reports and respond to consent requests anytime, anywhere
- Communicate with school PE staff as well as other parents and students

Separate written permission will be obtained for any residential, London, abroad and extreme activities prior to the visit taking place.

Please ensure completed forms are handed into Ms Lee in the finance office at the upper site.

Please note students who do not return their completed form will not be allowed to take part in Academy trips.

If you have any other queries or concerns with any of the above, please do not hesitate to contact me at school.

Yours faithfully

J Lee
